2023

- Developed a comprehensive sales dashboard to analyze sales data that could help in improved decision-making with the help of sales forecasting.
- Responsibilities: Data Collection, data cleaning, DAX queries, Dashboard creation, data visualization.

Education

Guru Gobind Singh Indraprastha University (GGSIPU)

August 2019 – August 2023

Bachelor of Technology in Biotechnology : 8.8 CGPA

Delhi

Interests

- Data Science
- Business Intelligence
- AWS
- Predictive Modeling
- Machine Learning
- Data Analytics
- Generative AI
- Dashboards

Leadership and Achievement

- Achieved SQL Gold Badge at Hackerrank.
- Received best performer new joining award for July 2024 at Genpact.
- Achieved AIR 28 in IPU CET

Certificates

- Complete MS Excel Guide 2023 — Udemy
- Complete Data Structures and Algorithms in C++ — Udemy
- SQL Test Certificate — TestDome
